

Creating Item Class in Acumatica

To create an item class in Acumatica you need to go to the item class and fill in the details. After creating the item class in Acumatica, you need to save it.

Creating a New Item Class

The checkbox for **[Enable for Magento Sync]** should be checked. This option comes from the **[Inventory Preferences]** within Acumatica.

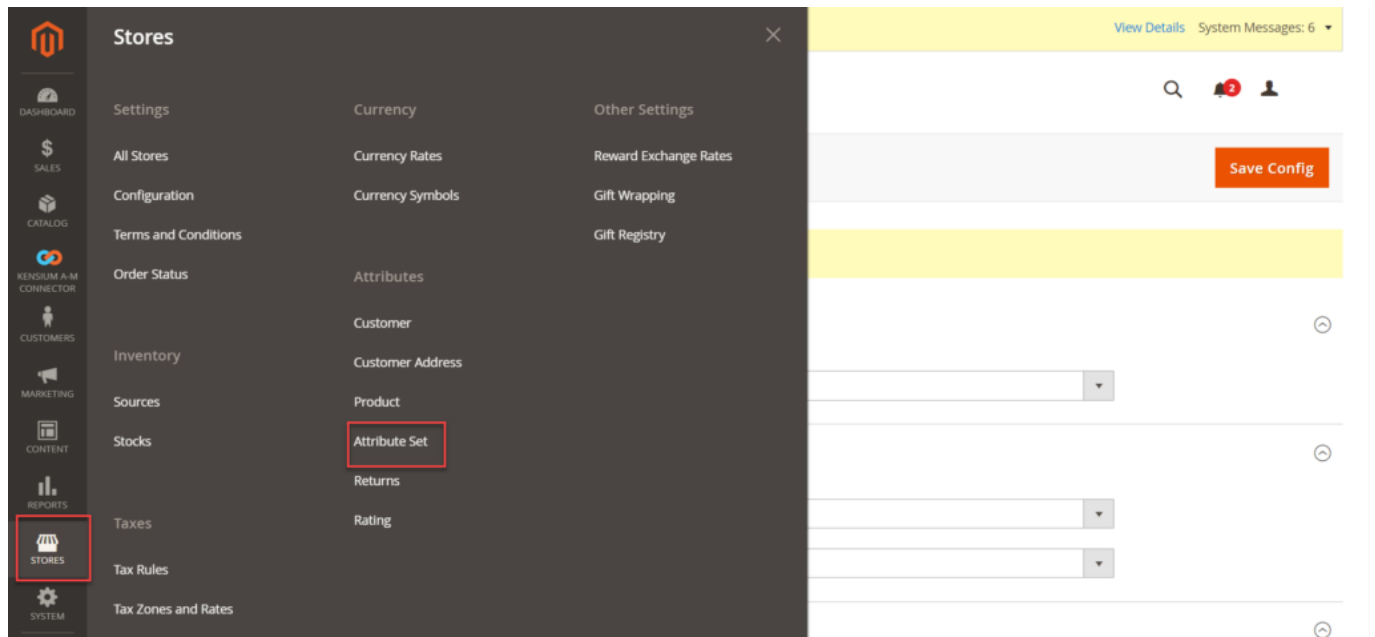

The screenshot shows the Acumatica Inventory Preferences window. The 'Inventory Preferences' title bar is highlighted with a red box. The 'ECOMMERCE SETTINGS' section is also highlighted with a red box, containing the checkbox 'Enable Magento Attribute Section' which is checked. Other sections visible include 'NUMBERING SETTINGS', 'DATA ENTRY SETTINGS', 'ACCOUNT SETTINGS', 'PHYSICAL INVENTORY SETTINGS', and 'INVENTORY TURNOVER SETTINGS'.

Ecommerce Settings in Inventory Preferences

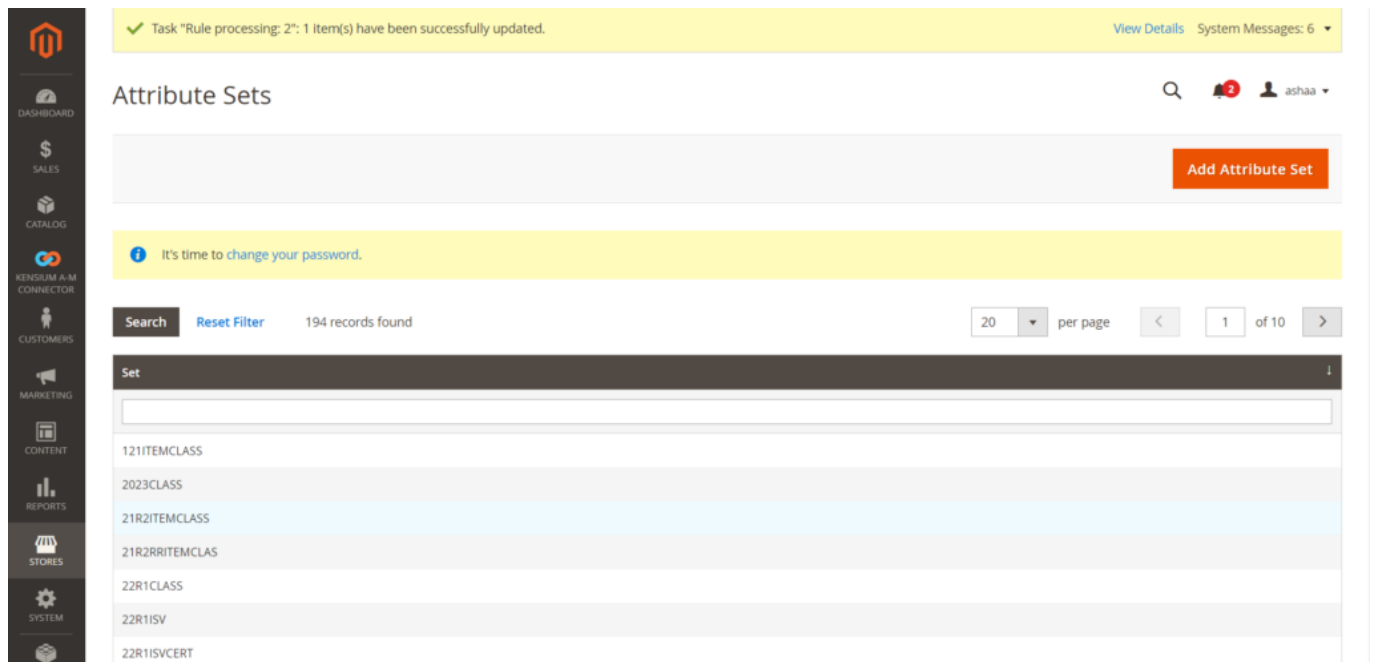

If the above-shown checkbox under the Ecommerce Settings is unchecked or disabled, then you won't be able to see the option [Enable for Magento Sync] irrespective of Item Class, Item Sales Category or in the Products.

In Magento, it will automatically sync. Go to Magento and click on the [Store] on the left panel and under Attributes you will find an option [Attribute Set].

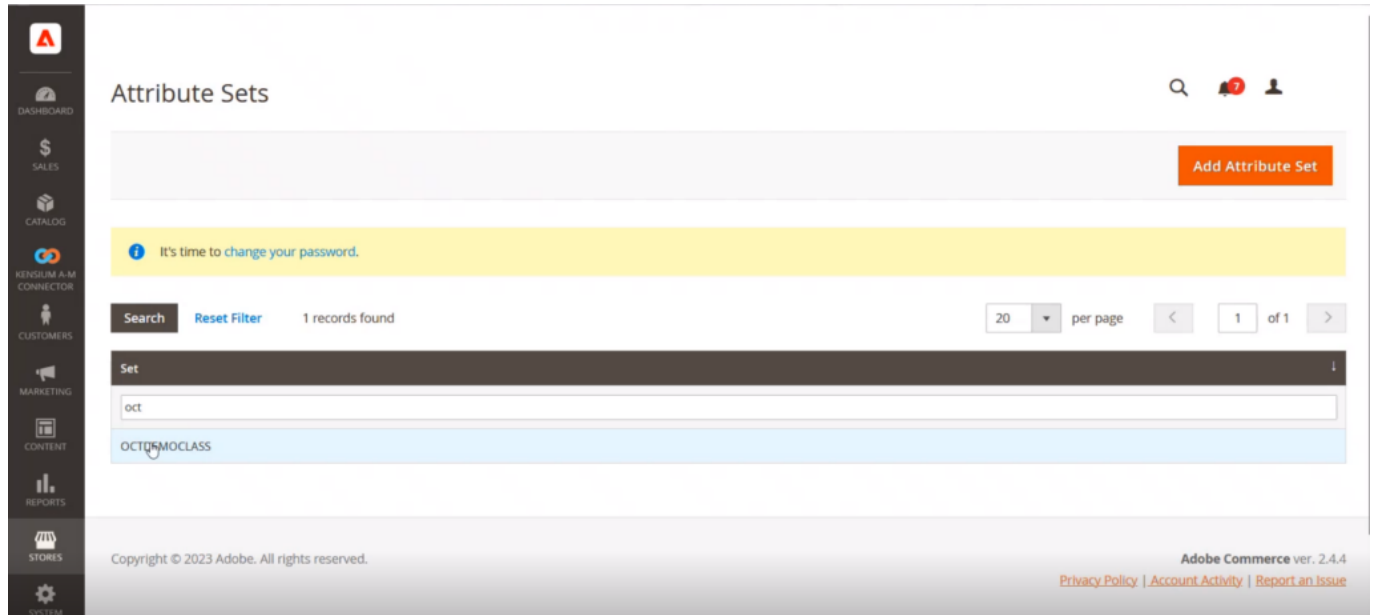

Attribute Set in Stores

Upon clicking on the [Attribute Set] you will be redirected to the following screen.

Attribute Set Screen

You need to search for the Item Class that you have created.

The screenshot shows the 'Attribute Sets' management interface in Adobe Commerce. On the left is a vertical sidebar with navigation icons for Dashboard, Sales, Catalog, KENSIMUM A/M CONNECTOR, Customers, Marketing, Content, Reports, Stores, and System. The main header area includes the title 'Attribute Sets', a search icon, a notification bell with a red '7', and a user profile icon. Below the header is a light gray bar with an 'Add Attribute Set' button. A yellow banner message states 'It's time to change your password.' The main content area features a search bar with the text 'oct', a 'Reset Filter' link, and a status '1 records found'. Below the search bar is a table with one record: 'OCTDEMOCLASS'. The table has a 'Set' column header. At the bottom, there is a pagination control showing '20 per page' and '1 of 1'. The footer contains copyright information 'Copyright © 2023 Adobe. All rights reserved.' and the version 'Adobe Commerce ver. 2.4.4', along with links for 'Privacy Policy', 'Account Activity', and 'Report an Issue'.
