

Customer Schema in Acumatica

Like the Product Schema, the application allows you to customize the Customer Schema. Clicking on the Category Schema Acumatica will open the [Category Schema] screen including the option for **[Refresh Schema]** and **[Clear Schema]**. In the first place, the screen should appear blank. You will have the following options:

- **General**
- **Financial**
- **Billing**
- **Shipping**
- **Salesperson**
- **Attributes**
