Sales Price in Acumatica

During festive time or on some special occasions the ecommerce sites offer a special price. It could be a festive or non-festive occasion; however, customers will get a special price for those products for a specified period. In Acumatica we also have a provision for the same.

Step 1. To access the Seles Prices, you need to go to Profiles and select [Sales Prices].

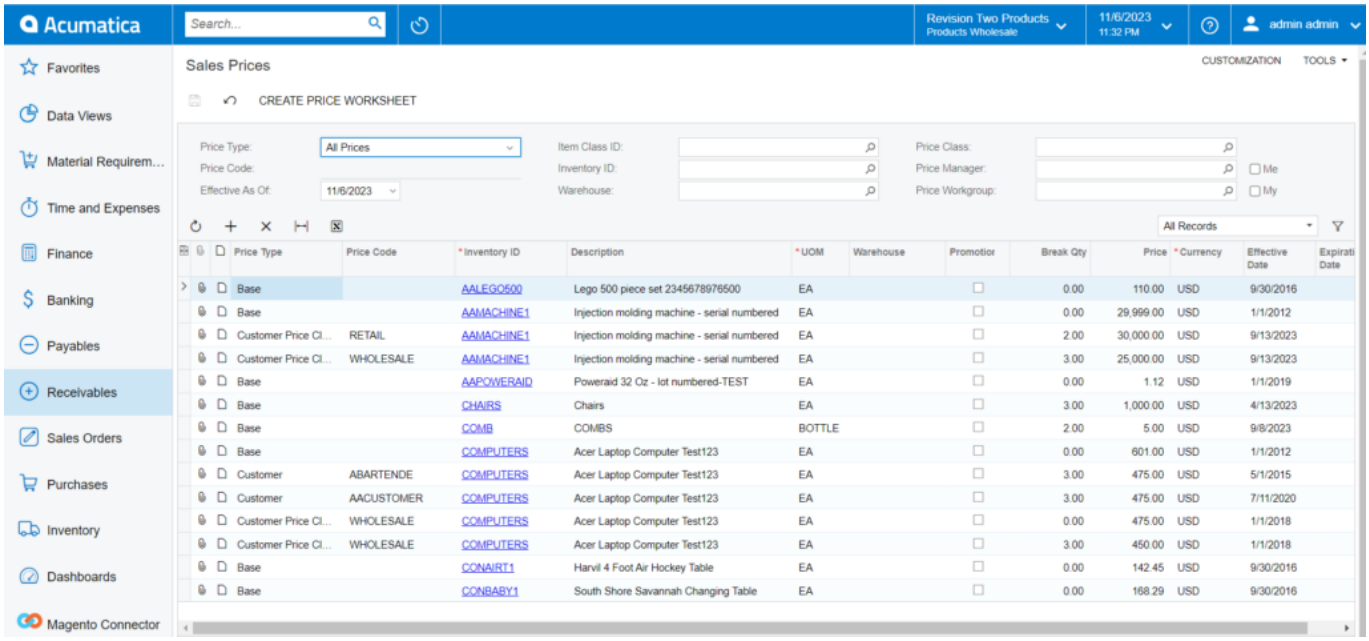

Sales Prices under Profiles

Step 2. Upon clicking on the [Sales Prices] you will be redirected to the following screen.
