

Order Lookup Details in Magento Admin

From the Admin side of Magento, you can view the order.

The screenshot shows the 'Orders' page in the Magento Admin interface. The page includes a search bar, filters, and a table of orders. The table has the following columns: ID, Purchase Point, Purchase Date, Bill-to Name, Ship-to Name, Grand Total (Base), Grand Total (Purchased), Status, Action, Allocated sources, Acumatica Order Number, Order Lookup Details, and Braintree Transaction Source. The table contains four rows of order data.
