

# Managing B2B Dashboard

At the top left panel, you will be able to view the **[Dashboard]** option. The Dashboard displays the number of companies, Invoices and Quotes.

The screenshot shows the dashboard interface for the Better B2B App. On the left is a navigation sidebar with options like 'View Store', 'Home', and 'Apps'. The main dashboard area features three summary cards: 'COMPANIES' with a count of 271, 'INVOICES' with 248, and 'QUOTES' with 183. Each card has a 'view details' link. Below these is a 'RECENT LOGS' table with columns for Group, Action, Sync Direction, Result, Entity Id, User, and Log Time. The table contains five log entries related to Acumatica configurations and address updates.

Dashboard of Better B2B App

All the labels like Companies, Invoices and Quotes come with the [View Details Link]. Upon clicking on the Companies View Link you will be able to view the following options.

| Field                 | Field Type | Description   |
|-----------------------|------------|---|
| Acumatica Customer ID | Text Field | You can view the Acumatica Customer ID                |
| Company Name          | Textbox    | Name of the Company.                                  |
| Status                | Label      | An approved label will be displayed under the status. |
| Created At            | Text Field | Company creation date.                                |

KENSIUM

## BigCommerce B2B Connector

|                      |                 |  |
|----------------------|-----------------|--|
| Approved/Rejected on | Text Field      | On which date it has been approved or rejected.  |
| Action               | Ellipsis button | This includes two options. You can [View] or [Delete] by moving the cursor to the Action button. |

You can search the company from the [Search Box] along with an option to [Add] the company.
