

# Managing Roles and Permissions

On the Front-End screen under the **[Order]** screen, you will have an option for **[Roles & Permissions]** for that user.

## Roles & Permissions for Users in the Front End

Upon clicking on the Roles & Permission you will be redirected to the following screen.

Your store is down for maintenance. [Click here to see what your visitors will see.](#) [Design this page in Page Builder](#)

## List of Permissions

Before you give permission, you need to enter the following details.

- Order Credit Limit Value.

The screenshot shows a configuration page for the BigCommerce B2B Connector. At the top, there is a maintenance notice: "Your store is down for maintenance. Click here to see what your visitors will see." and a "Design this page in Page Builder" link. Below this, there are two main sections:

- Order credit limit value** (REQUIRED): This section contains a text input field. A green checkmark is visible to the left of the field. Below the field, a red error message states: "The 'Order Credit Limit Value' field can't be left empty."
- Permissions** (REQUIRED): This section contains a list of permissions, all of which are checked with blue checkmarks. A green checkmark is also visible to the left of the "All" checkbox. The permissions listed are:
  - All
    - Manage Companies
      - View Company Information
      - Edit Company Information
    - Manage Users
      - View Users
      - Add New User
      - Edit User
      - Delete User
    - Manage Roles
      - View Roles
      - Add New Role
      - Edit Role
      - Delete Role
    - Manage Orders
      - View Orders
      - Place Order

## Enabling the List of Permissions
