

# Viewing Master Data Log in Better B2B

Go to the Better B2B application and click on Logs. The Log details include the following grids along with a search box and filter. E.g., if you want to search the Master Data you can enter the same.

Grid details:

- Groups
- Actions
- Sync Direction
- Log type
- Entity Id
- User
- Log time with date and time stamp.

Group	Action	Sync Direction	LogType	Entity Id	User	Log Time
Master Data	UPDATE	Acumatica to B2B	Info		rakeshe@kensium.com	Nov 27, 2023 17:13:36

## Master Data Logs in Better B2B

To view the log details simply click on the Sync Direction i.e., from Acumatica to B2B. A pop-up will appear on the screen as shown below:

The screenshot shows the KENSIUM application interface. On the left is a navigation sidebar with options like Dashboard, Companies, Invoices, Quotes, Payment Mapping, Users, Queues, Logs, Acumatica Configurations, and Settings. The main area is titled 'Logs' and contains a table of log entries. A modal window titled 'Log Details' is open, showing the following information:

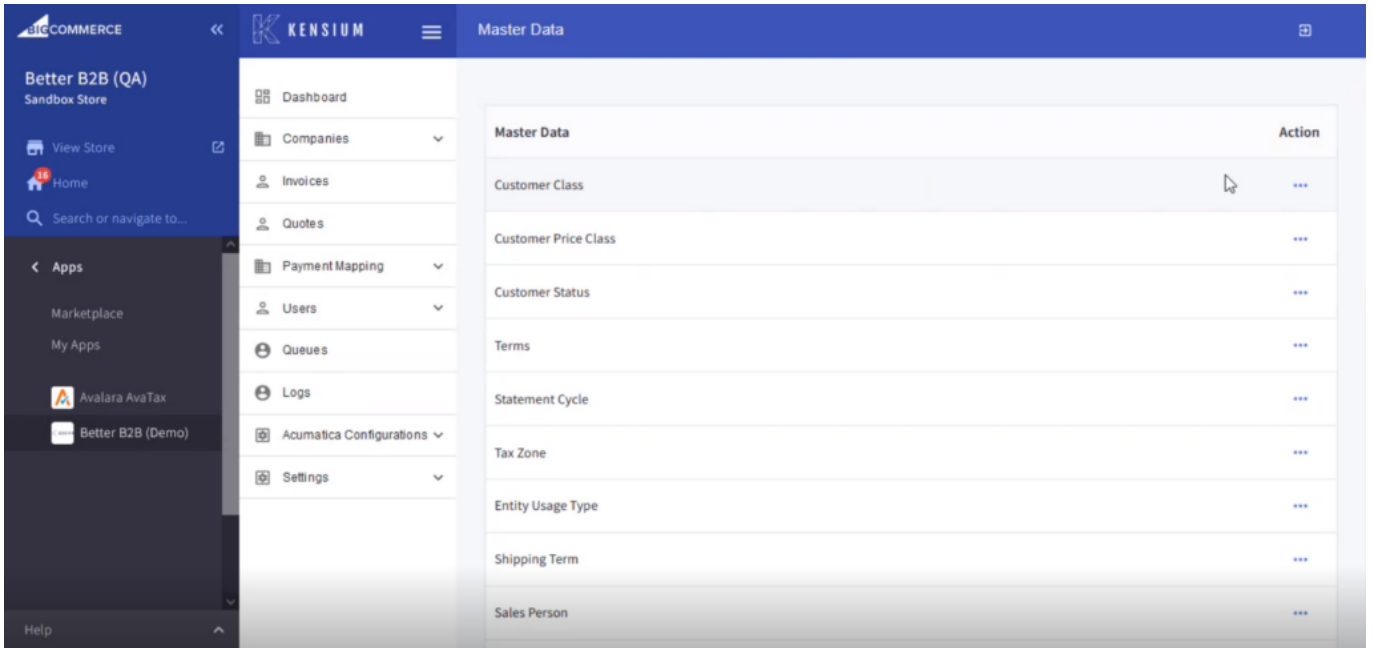

- Log Details:**
- Group: Master Data
- Sync Direction: Acumatica to B2B
- User Email: rakeshe@kensium.com
- Summary: "Master Data Configured Successfully"
- Action: UPDATE
- Result: success
- Log Date: Nov 27, 2023 17:13:36

Below the modal is a 'Developer Log' table with the following columns: ID, Group, Action, Log Time, and Details. The table contains one entry:

ID	Group	Action	Log Time	Details
12321	Master Data	UPDATE	Nov 27, 2023 17:13:36	View

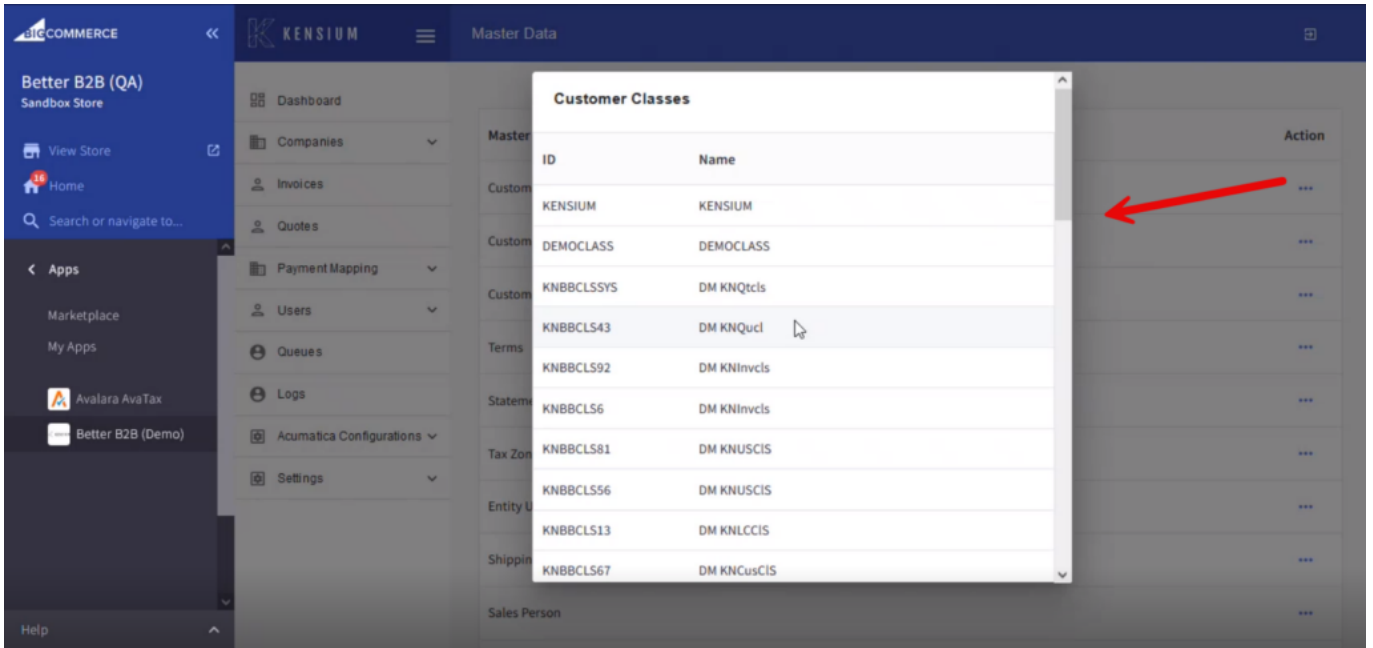

### Developer Log

Go to the Acumatica Configuration and click on Master Data, the following screen will be displayed.

### Master Data under the Acumatica Configuration in Better B2B

Upon clicking on the **[Action]** button the list of **[Customer Classes]** will appear which indicates the **[Customer Class]** got synced.

The list of Customer Class

Similarly, we can sync the others as shown on the screen.
