The screenshot shows the 'Users' management page in the Kensium application. The sidebar on the left contains navigation links for 'Better B2B (QA) Sandbox Store', 'View Store', 'Home', and a search bar. Below these are sections for 'Apps' (Marketplace, My Apps, Better B2B (Demo)) and a list of system components: Dashboard, Companies, Invoices, Quotes, Payment Mapping, Users, Queues, Logs, Acumatica Configurations, and Settings. The main content area is titled 'Users' and features a table with the following columns: Email, User Name, User Role, Status, and Action. A search bar is located above the table. A red arrow points to the search results, and a red box labeled 'Search Result of the user' is overlaid on the table.
