

Kensium License

- Upon setting up **[Kensium License Setup]**, navigate to **[Kensium License]** under **[Preferences]**, the Acumatica platform directs you to the page for **[Kensium License]** screen.

Kensium License

KENSIUM

Braintree Plugin

The screenshot displays the Acumatica user interface for the Kensium License management screen. The top navigation bar includes the Acumatica logo, a search field, a refresh button, and system information such as 'Revision Two Products Products Wholesale', the date '9/7/2023 1:36 AM', and the user 'admin admin'. The left sidebar lists various modules, with 'Kensium License' highlighted by a red arrow. The main content area is titled 'Kensium License' and features a toolbar with buttons for 'REQUEST LICENSE', 'ACTIVATE LICENSE', 'UPGRADE LICENSE', 'REFRESH PRODUCTS', and 'CLEAR LICENSE'. Below the toolbar is a table with the following columns: Product Name, Status, License Key, Effective Date, and Expiry. The table is currently empty, and a message box in the center states 'No records found.' with a document icon and a close button. The bottom of the screen shows a horizontal scrollbar.
