Basic Fraud Tools Information

Void Transaction on Braintree

- Payment will be refunded and can be found the status update at Payments tab; on opening Payment record refund transaction details can be found and refund record is visible in Braintree with Credit Status.

Note: Level2 transactions will work the same for all transactions screens of Invoices, payments and Applications and Case Sales screens. New Card option on Payment and Applications screen.

- Enable New Card option at Processing Center screen and create a Sales order by selecting Customer and inventory line item with quantity and price.
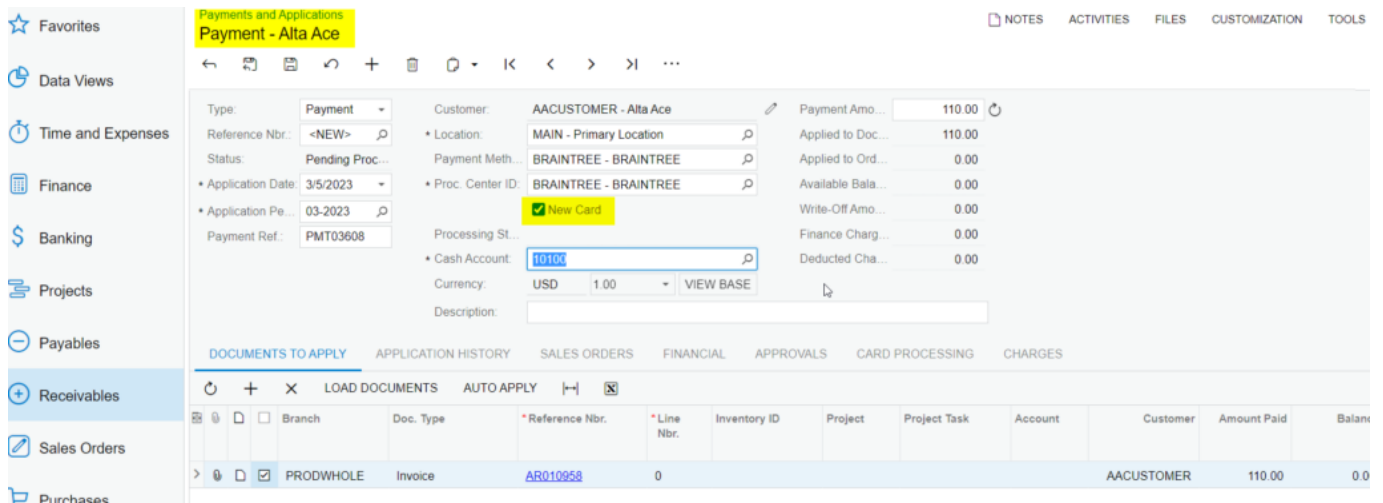

Payments and Applications Screen

- Assign Sales order to Payments and application screen at 'Orders to Apply' tab. And Select New Card checkbox and click on Authorize CC Payment action.

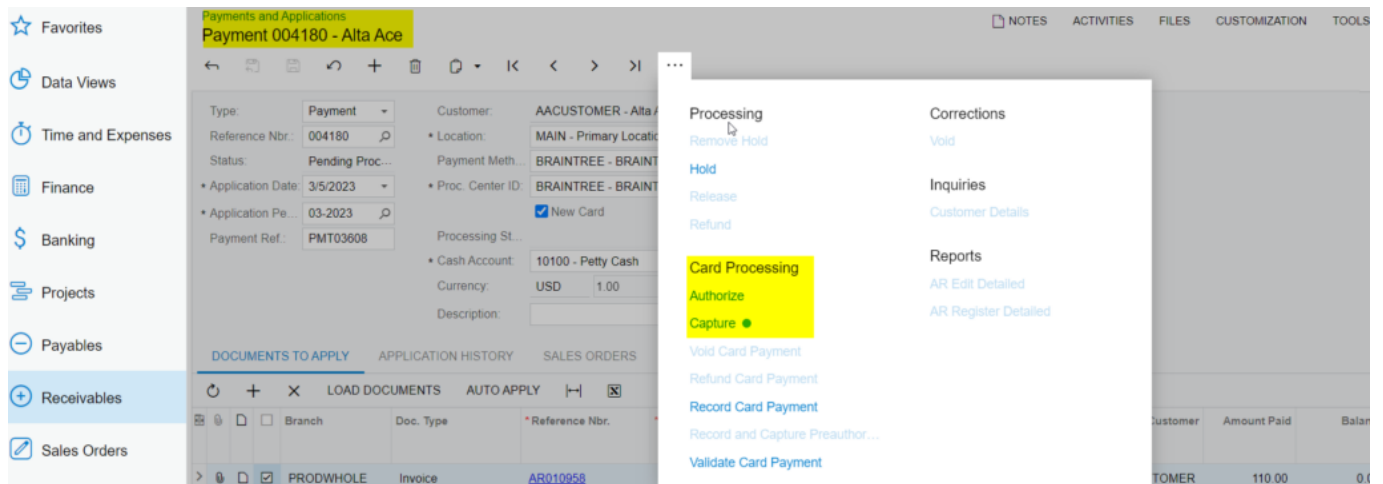

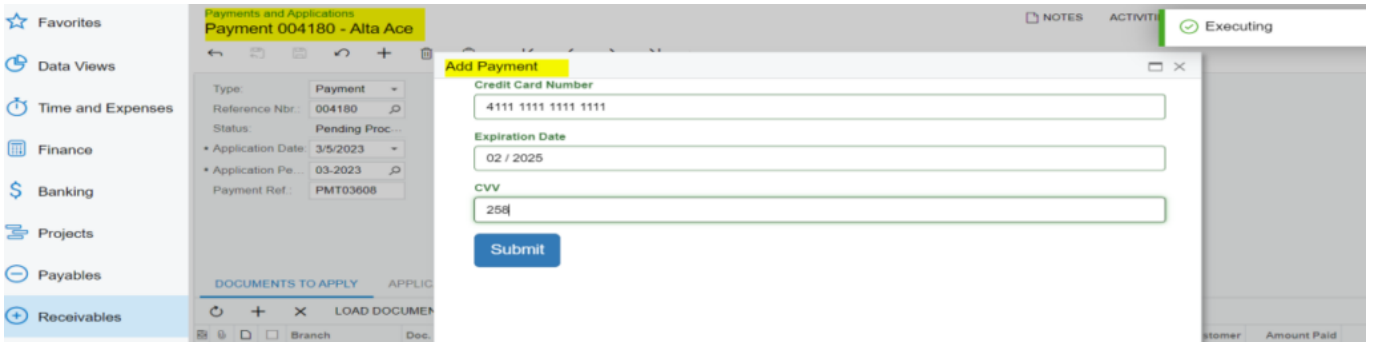

Authorize and Capture Actions under Payments and Application

- Now, the system will navigate to the hosted form of the Braintree and one can enter card details and submit it.
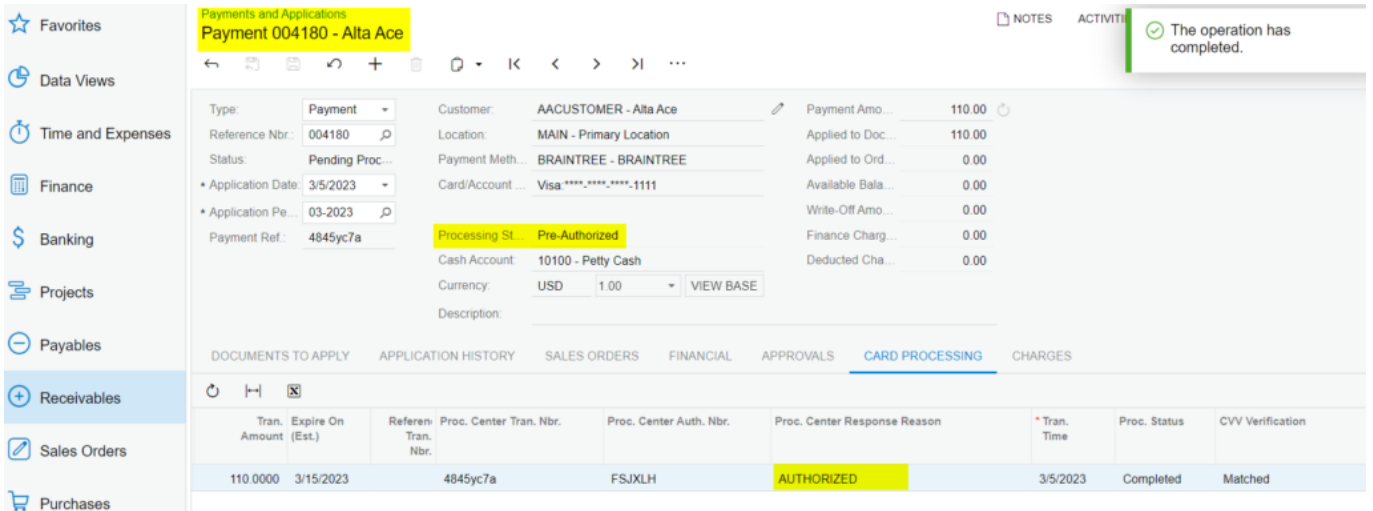

Entering Credit Card details under the Payments and Applications

- According to the action performed in Payments and Application by enabling New Card option, Payment status will be displayed at Credit Card Processing Info tab.

Authorized action in Payments and Applications
