KENSIUM
Build Your Product

Licensing Process

Licensing: It provides access to the product while the product publisher maintains the ownership rights. A product license is an official legal document that outlines the limitations and conditions of use for the product.

Build Your Product Licensing includes:

1. Configuring KNCentralizedLicenseConsole From 23R1
2. Kensium License Setup
3. Kensium License
    - Request License
    - Activate License
4. Kensium License Logs
