

Managing Process BYP Orders

To [Process BYP Orders] you need to follow the steps described below:

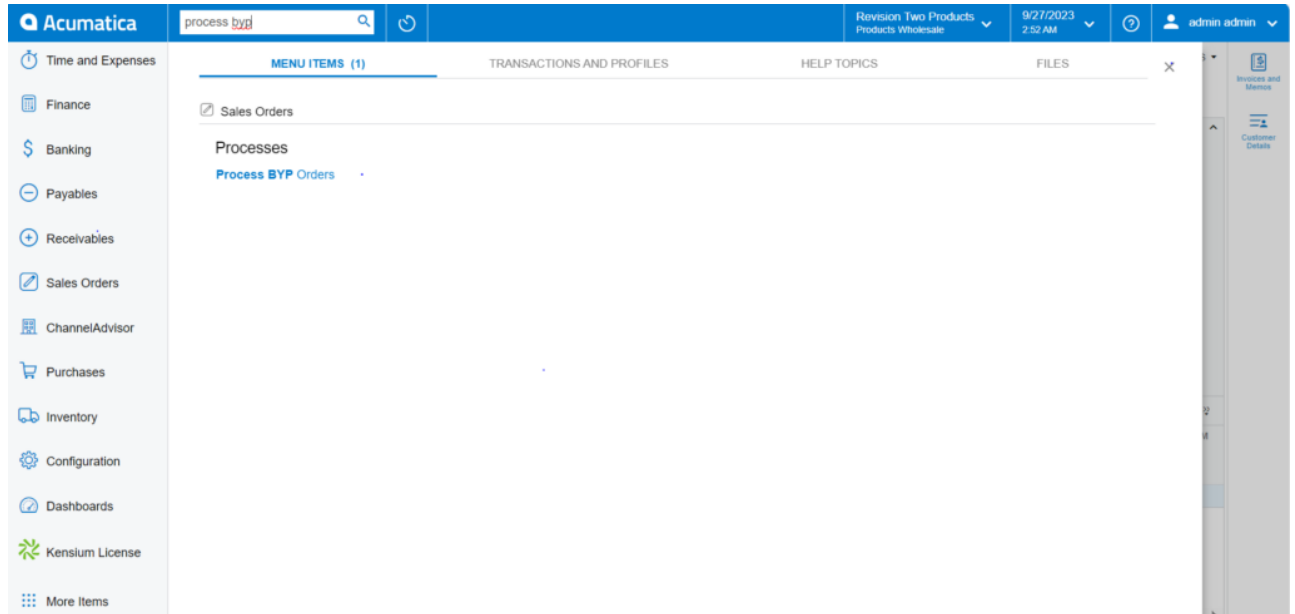

1. Enable **[Ready for BYP & Ready for BYP Creation]** check boxes on the sale order screen.
2. **[Save]** the order that you have created to display in the Process BYP Order section.

The screenshot shows the 'Sales Orders' screen for 'SO SO008088 - Alta Ace'. The 'Ready for BYP' checkbox is checked and highlighted with a red box. The 'ADD ITEMS' section shows a table with columns: Inventory ID, Related Items, Substituted, Free Item, Warehouse, Line Description, UOM, and Quantity. The first row shows 'I SHIRTS' with a quantity of 4.00.

Configure BYP with the check box enable in the BYP browse

3. Search for the [Process BYP] in global search and you will be redirected to the following screen.
4. Click on **[Process BYP Orders]**, there configured sales order will be displayed.

Process BYP Orders screen

- Click on **[Process BYP Orders]** and you will be redirected to the Process BYP Orders screen as shown below.

Sales Order on the Process BYP

6. After clicking on the **[Process BYP Orders]** a pop-up will appear on the screen indicating the order process progress.

 If your order is processed without any error, you will get a confirmation message [Processing Completed] in the green box. In case the application gets an error, you will get an error message [Processing Completed with errors].

Note: If your order is processed successfully, it will no longer be visible on the

The screenshot shows the Acumatica interface with the 'Process BYP Orders' window. A confirmation pop-up titled 'Processing' is displayed in the center, indicating 'Processing completed, 00:00:06 Elapsed'. The pop-up includes a summary table:

Processed	Errors	Warnings	Remaining	Total
1	0	0	0	1

The background table lists order details for SO SC008088, which is currently 'Open'.
