

# Setup pricing options

- Navigate to the **Inventory** in Acumatica and select **Build Your Products**.

- Click the **Inventory ID search**, select the required product for which you would like to setup build options.

- Navigate to **Build Options** in the sub-menu to configure Options, Option Values and Option Rules.

X

The screenshot shows the Acumatica 'Build Your Products' interface. The 'BUILD OPTIONS' tab is selected and highlighted with a red box. The interface displays three main sections: Options, Option Values, and Option Rules.

**Options Section:**
