Customer Order Summary

A snapshot of a customer's value and recent order details can now be viewed on the Order Summary tab. The Order Summary screen includes the shipment and tracking details, a lifetime order value summary, and last quote information.

1. To access **[Customer Order Summary],** you must enable the check box for **[Customer Order Summary],** under CommercePro Features.
2. Click on **[Save].**

The Impacted areas for Dynamic Merchandising are below.

1. Customer Order Summary Preferences
2. Customer Order Summary Processes
3. Customers

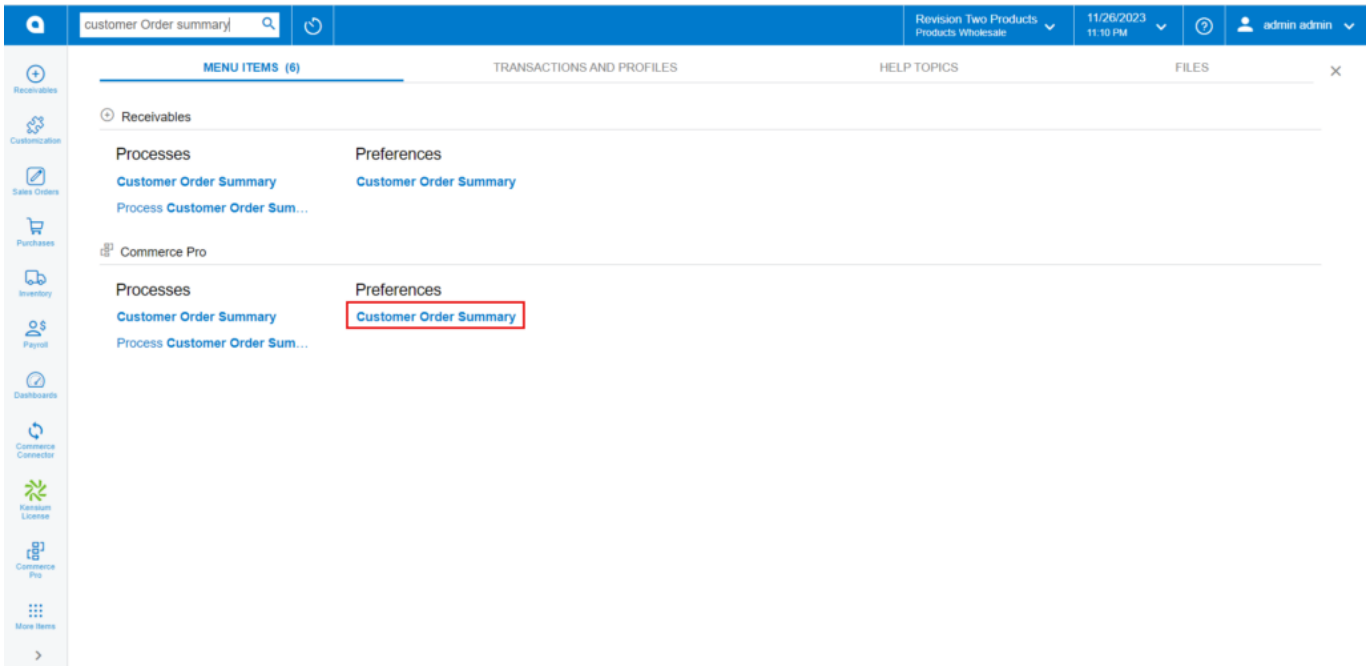

CommercePro

You need to search for **[Customer Order Summary]** in the Global search bar.

Customer Order Summary (1)

1. **Order Types for Lifetime Value Calculation:** When you select a specific order type and order status, the number of orders you have placed, together with the sales orders with each specific customer, will be shown on the customer screen.
2. **Order Status for Lifetime value Calculation:** The status of the sales orders depends on the enabled radio button in **[Order Status].**
3. **Additional Configuration:** If this radio button **[Update Customer Summary at SO save]** is enabled, then only specific order count will be added to the customer for the created sales orders following the **[SAVE]** button click.
4. You need to navigate to **[Customers]** under **[Profiles]** then check for the Order Summary Details for a particular customer.
