Customer Order Summary (1)

- 1. **Order Types for Lifetime Value Calculation:** When you select a specific order type and order status, the number of orders you have placed, together with the sales orders with each specific customer, will be shown on the customer screen.
- 2. Order Status for Lifetime value Calculation: The status of the sales orders depends on the enabled radio button in [Order Status].
- 3. Additional Configuration: If this radio button [Update Customer Summary at SO save] is enabled, then only specific order count will be added to the customer for the created sales orders following the [SAVE] button click.
- 4. You need to navigate to **[Customers]** under **[Profiles]** then check for the Order Summary Details for a particular customer.
