

Carrier and service from the master list

- You need to select the **[Carrier and Service from the master list].**
 - Click on [Save].
 - You must follow the identical actions as in scenario 1.
 - Since you chose [**Carrier and Service from the master list**] there will now be three columns in the Purchase Receipts.

Drop ship Mapping

- You need to enter the [Tracking Number], [Master Carrier], [Master Service].
- Click on [Release].
- You can view a pop-up with [Operation Completed].
