Stock Items

- You need to create a new **[Inventory ID]**.
- Select the **[Item status]** from the drop-down.
- You can add the **[Description]** about the created item.

GENERAL

- You need to assign the created **[Item class]** to the inventory ID.

Item Class

Merchandise

1. Click on the **[Merchandise]** tab.
2. You can view the mapped Merchandise attributes.
3. The sections are placed according to the section numbers provided in the item classes screen.

The screenshot shows the Acumatica interface for a Stock Item. The top navigation bar includes the Acumatica logo, a search bar, and user information (Revision Two Products, Products Wholesale, 11/21/2023, 4:59 AM, admin admin). The main content area is titled "Stock Items DEMO - Demo" and features a navigation menu with tabs: GENERAL, PRICE/COST, WAREHOUSES, 3D IMAGES, VENDORS, ATTRIBUTES, **MERCHANDISE** (highlighted with a red arrow), PACKAGING, CROSS-REFERENCE, RELATED ITEMS, REPLENISHMENT, DEFERRAL, and GLACCOUNTS. The Merchandise tab is active, displaying six sections (Section 1 through Section 6) for defining product attributes. Section 1 shows "Black Paint", Section 2 shows "AMCTOBAT SL...", Section 3 shows "AMCTOBAT W... -3 Oz", Section 4 shows "Bath Dimension", and Sections 5 and 6 are currently empty. The left sidebar contains various business modules like Favorites, Data Views, Material Requirements, Finance, Banking, Payables, Receivables, Customization, Sales Orders, Purchases, Inventory, Dashboards, Magento Connector, Kensium License, and CommercePro. The bottom status bar indicates "Your product is in trial mode. Only two concurrent users are allowed." and an "ACTIVATE" button.
