

KIT Specifications

- ✖ You need to create a Kit item in **[Kit Specifications]** under **[Profiles]** in **[Inventory]**.
- Create **[Inventory ID]**.
- Click on **[+]** icon.
- Select the **[Component ID]**.
- Enter the **[Quantity]**.
- Select **[Type]** from the drop-down menu.
 - Fixed Price
 - Calculated Price
- If you select **[Fixed Price]** then a new price field (non-editable) field will be shown and display the price of that Kit item from the Stock items screen.

The screenshot displays the 'Kit Specifications' page in the Kensium CommercePro application. The top navigation bar includes a search bar, a refresh icon, and user information (Revision Two Products, Products Wholesale, 11/22/2023 9:03 PM, admin admin). The left sidebar contains various navigation icons. The main content area is titled 'Kit Specifications' and includes a 'KIT PRICING' section with a dropdown menu set to 'Fixed Price'. Below this is a table of 'STOCK COMPONENTS' with columns for Component ID, Description, UOM, Component Qty, Allow Component Qty. Variance, Min. Component Qty., Max. Component Qty., Disassembly Coeff., and Allow Component Substitution. The table lists two components: 'WRENCH' and 'SCREWDRIVE', both with a quantity of 1.00. A red box highlights the '+', 'x', and '-' icons above the table, and another red box highlights the '1.00' quantity for the 'WRENCH' component.

Stock Items

- **[Component Quantity*Default price]** will be used to calculate Fixed prices.
- The **[Price]** Field will show the total of the parent item and two Child items and the same will be reflected in the stock items because of the automation schedulers.
- If the **[Price]** is not updating, navigate to left side panel of **[Acumatica]** select **[CommercePro]**, and then select **[Refresh Kit Price Process]** under **[Processes]**.

The screenshot shows the Kensium CommercePro dashboard. At the top, there is a search bar and navigation tabs for 'Revision Two Products' and 'Products Wholesale'. The main content area is divided into three columns: 'Processes', 'Inquiries', and 'Preferences'. The 'Processes' column contains a list of items, with 'Refresh Kit Price Process' highlighted by a red box. The 'Inquiries' column lists 'Dropship Mapping', 'Kit Assembly Logs', and 'ACM Vendor Inventory Details B...'. The 'Preferences' column lists 'Vendor Inventory', 'Customer Order Summary', 'Category Rules', 'CommercePro Feature Manage...', and 'Shipping Restriction Zones'. A 'Show All' dropdown is located at the bottom of the list. On the left sidebar, the 'CommercePro' icon is also highlighted with a red box.

CommercePro

- You must enable the Radio Button.
- Click on **[PROCESS ALL]**.
