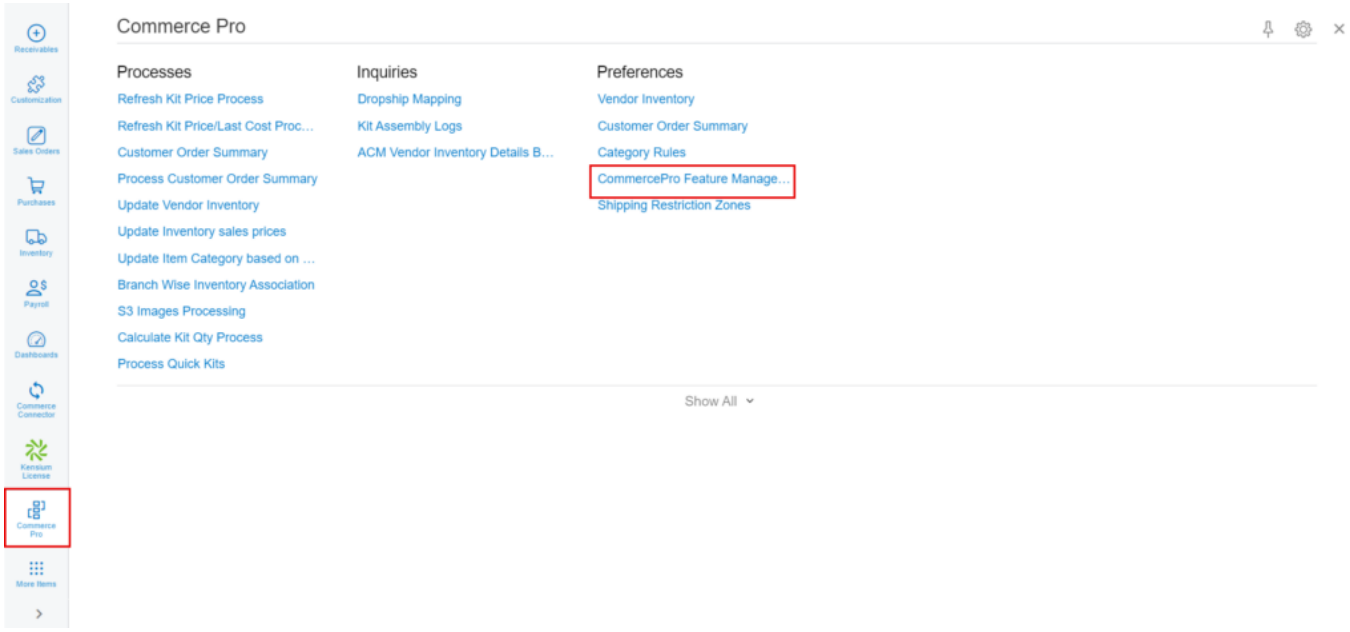
Free Stock Items

Businesses can reward their customers by offering “Free Item”. The regular inventory receipt and sales orders procedures will be used to modify inventory levels for the free stock items, which can be linked to either a stock or non-stock items.

To view Free Stock Items in Stock Items screen, you must enable the check box for **[Free Stock Items]** under **[CommercePro Features].**

- To access the CommercePro Features, you must navigate to the left panel of Acumatica and click on **[CommercePro]** and then click on [**CommercePro Management]** under **[Preferences].**



Preferences

- You must enable the check box, then click on **[Save].**
