

# Non-Stock Items

 You need to search for **[Inventory Preferences]** in Global search bar and then click on **[Inventory Preferences]** under Preferences.

The screenshot shows the Kensium CommercePro interface. At the top, there is a blue header bar with a search bar containing the word 'Inventory'. Below the header, there is a sidebar on the left with various icons for navigation. The main content area is divided into several sections: 'MENU ITEMS (44)', 'TRANSACTIONS AND PROFILES', 'HELP TOPICS', and 'FILES'. Under 'MENU ITEMS (44)', there are sections for 'Data Views', 'Inquiries', 'Sales Orders', 'Reports', 'Purchases', 'Profiles', and 'Inventory'. The 'Inventory' section is further divided into 'Physical Inventory', 'Inquiries', 'Printed Forms', and 'Preferences'. The 'Preferences' section has a link for 'Inventory Preferences' which is highlighted with a red box.

## Inventory Preferences

- Click on **[Amazon Settings]** tab then you need to fill out the details.
  - Search for the item class
    - Non-Stock items: You must select a non-stock items.
