The screenshot shows the 'CommercePro Features Management' page. A list of features is displayed, with 'Vendor Inventory Management' and 'Validate Vendor Details' highlighted by a red box. A red callout box with an arrow points to the 'Validate Vendor Details' checkbox, containing the text: 'Upon enabling vendor inventory Management the below check box will auto populated, so both the check boxes should be enabled'. The interface includes a search bar, navigation menu, and user information.

 [Vendor Inventory Management], 
[Validate Vendor Details]
