

Kensium License

- Upon setting up **[Kensium License Setup]**, navigate to **[Kensium License]** under **[Preferences]**, the Acumatica platform directs you to the page for **[Kensium License]** screen.

Kensium License

The screenshot displays the Acumatica user interface. The top navigation bar is blue and contains the 'Acumatica' logo, a search bar, a refresh icon, and user information including 'Revision Two Products Products Wholesale', the date '9/7/2023 1:36 AM', and the user 'admin admin'. The left sidebar lists various modules: Finance, Banking, Payables, Receivables, Sales Orders, Purchases, Inventory, Dashboards, Magento Connector, and Kensium License (highlighted with a red arrow). Below the sidebar, the 'Kensium License' screen is active. It features a sub-header 'Kensium License' and a menu with options: REQUEST LICENSE, ACTIVATE LICENSE, UPGRADE LICENSE, and REFRESH PRODUCTS. Below this menu is a 'CLEAR LICENSE' button and a search icon. A table with the following columns is visible: Product Name, Status, License Key, Effective Date, and Expiry. The table is currently empty, and a message box in the center states 'No records found.' with a document icon and a close button. The bottom of the screen shows a horizontal scrollbar.
