

Load Pick

 To load the wave pick scan/enter the wave pick number.

The image shows a mobile application interface for 'Wave Pick'. At the top, there's a title bar with 'Wave Pick' and a close button (X). Below the title bar, there's a text input field labeled 'Enter pick #:' with a blue underline. Underneath the input field is a toggle switch labeled 'Enter manual quantity', which is currently turned off. Below the toggle switch is a blue button labeled 'LOAD'. At the bottom of the screen, there is a numeric keypad with digits 0-9, a spacebar, and a 'Done' button. The keypad also includes letters for QWERTY and ASDFGHIJ, and a 'Sym' button.

Enter Pick Number

After entering the pick # and pressing the load button, if the pick # exists, then, the system will show 5 available options:

Pick items, review, commit, unload and enter the manual quantity switch button.
