The screenshot displays the 'Customization Projects' section of the Kensium OrderPad application. The interface includes a top navigation bar with a search field, a refresh button, and user information (Revision Two Products, Products Wholesale, 12/7/2023 12:27 AM, admin admin). A left sidebar contains various navigation icons. The main area shows a table of projects with columns for Published status, Project Name, Level, Screen Names, Description, Initials, Created By, and Last Modified On. An 'IMPORT' button is highlighted with a red arrow. An 'Open Package' dialog box is open in the center, showing a 'File path:' field with a 'Choose File' button and a red-bordered 'UPLOAD' button.
