System Requirements

In OrderPad the data will be pulled from Acumatica by OrderPad Acumatica Connector and by using the OrderPad API. The data is processed in the PWA App which is the OrderPad frontend.

To access the OrderPad you must have the following credentials:

- Credentials to Acumatica ERP
- Credential to OrderPad Acumatica Connector
- Credential to login to OrderPad.

Hardware Devices Requirement:

- Tablet/ Laptop/ Desktop
- Barcode Scanner
- Receipt Printer
- Payment Card Reader
