Dynamic Menu Name Change

We have made a dynamic menu name change in Acumatica. On the left panel, you will find the option [OrderPad Connector]. On the screen, you will find the references to the Magento Connector,

OrderPad Connector menu

For OrderPad Connector we have different licenses. Navigate to Kensium License on the left panel, you will be redirected to the following screen.

Kensium License Screen

Click on Kensium License, the following screen will appear.

Kensium OrderPad Connector
