

KENSIUM

OrderPad

Print the Receipt for the Saved Cart

Log in to the OrderPad, navigate to the Kensium POS, and click on the [Print Receipt] you will be redirected to the [Print Receipt] Screen.

The screenshot shows the Fusion POS dashboard. On the left is a dark sidebar with various menu items. The 'Print Receipt' option is highlighted in green, with an orange arrow pointing to it. The main content area shows a summary of business performance with metrics for Revenue (\$913.34), Tax (\$91.34), Shipping (\$35.00), and Quantity (5). Below this is a table of items and a product list.

Items	Total
1	\$157.78
1	\$78.89
3	\$298.89

Product	Price	Quantity
Bar Stool	\$68.00	1260
Desk	\$20.00	808

Print Receipt option

- The [Add New Print Receipt] option will be available on the top right-hand side of the screen.

Add New Print Receipt option

- We have two types of Receipts. Upon clicking on the [Add New Print Receipt] under the General Information the two available options for [Print Types] are as follows:
- Order
- Saved Cart

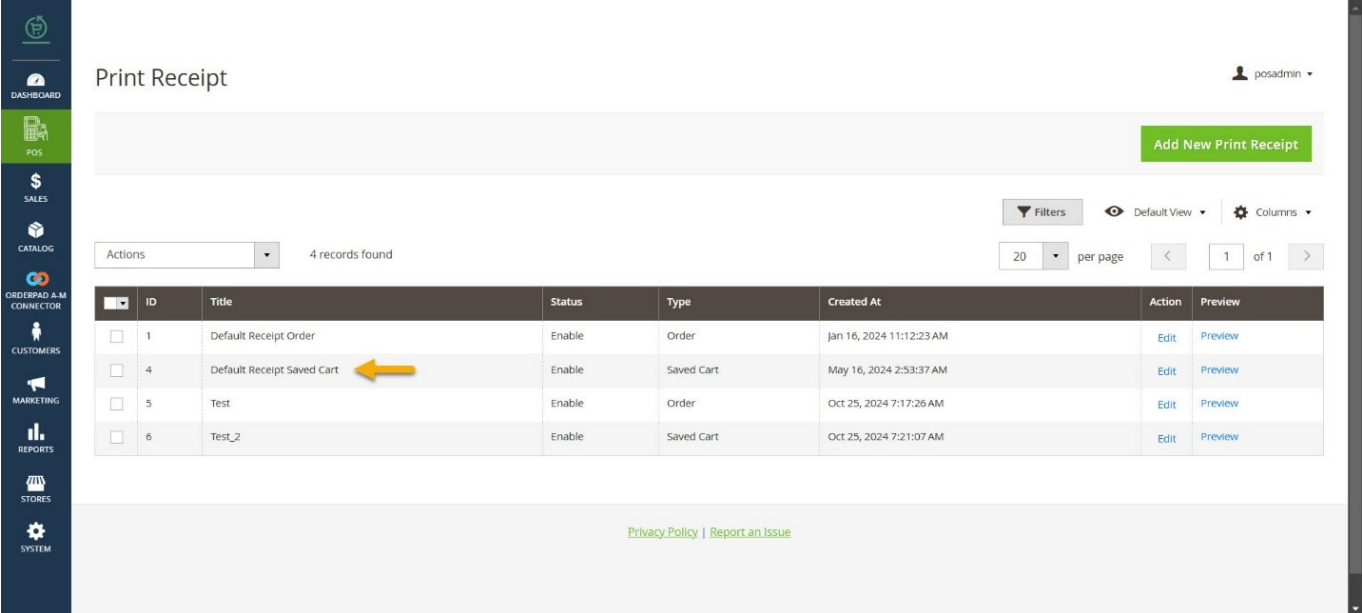

Two types of Print Type

- If you select “Order” from the dropdown menu, you can view the menus for Header, Body, Items, Totals, Footer, and more.

Print Type is selected as [Order].

- ✘ If you select **[Print Type]** from the dropdown menu, you can view the menus for Header, Body, Items, Totals, Footer, and more.
- In OrderPad the application provides a [Default Print Receipt] for the Saved Cart that you can't edit.

On the Print Receipt Screen, you can view the default print receipt for the saved cart on the grid. Upon clicking the Edit option, you can view the setup for the [Default Receipt Saved Cart].

System-defined Default Receipt Saved Cart

An alert message will appear if you wish to edit the default receipt.

Illustration:

To create a new print receipt with [Save Cart] follow the steps.

- Create a new print receipt with [Save Cart] type and enable all the options. The Print Type must be [Saved Cart].
- Navigate to Kensium POS -> Retail Location to add a new receipt. Create a Receipt with the Location.
