Fortis Payments Settings details

Upon clicking on the Fortis Payment, you will be redirected to the following screen, and you need to enter the following information.

The screenshot shows the 'Settings' page in the rmscloud application. On the left is a sidebar menu with options: Dashboards, Customers, Orders, Stores & Locations, Barcodes, Gift Cards, Loyalty, Content, Design, Search, Security, and Configuration. The 'Settings' page has a checkbox 'Perform transactions against the Fortis test endpoint.' which is checked. Below it are text input fields for 'User Id' (containing '11ecfc61c1c97dd2bd6131f6'), 'UserApi Key' (masked with dots), 'Location Id' (containing '11ecfc61bf64422a888653fc'), 'Poll Interval' (containing '4000'), and 'Commodity Code' (containing '5046'). Each text field has a small 'Required.' label. At the bottom, there is another checkbox 'Enable blind refunds' which is also checked. A URL is visible at the bottom of the page: 'https://xmsqa12.fusionrms.com/Admin/Settings/FusionXMSFortisPayments?admin=-212227... must also be enabled in your Fortis admin console. See your Fortis onboarding instructions for more information.'
