

KENSIUM

Pay with Extend

## Pay With Extend in Acumatica

- After publishing, the Pay with Extend workspace will be accessible in either the dashboard menu or through clicking **[More Items]** and selecting **[PAY WITH EXTEND]** in the Financials category.

### Accessing the Pay with Extend workspace

There are three options in the Pay with Extend workspace:

- Configuration

Used to connect Acumatica to your Extend portal.

- Processes

Used to view and process currently active virtual cards.

- Inquiries

Used to view request and response logs for the package.
