

Access Configuration

 To configure the **[Access Configuration]** settings, define your user credentials to access and perform operations within Rithum Connector. This includes specifying the account ID, profile ID and password.

Profile ID

- To generate **[profile ID]** you must login into the Rithum Connector. To log in you need **[User ID]** and **[Password]**.
- Upon Logging into the Rithum Connector.
- Select the store of your choice from the **[All Accounts]** from the top right menu.

The screenshot shows the Rithum Connector dashboard. At the top right, there is a navigation bar with 'Home' and 'Help' links. Below this is a dark header with 'Dashboard' and a search bar labeled 'Search Accounts'. To the right of the search bar is a dropdown menu labeled 'All Accounts'. A red box highlights the dropdown menu, which contains the following items: 'All Accounts', 'Kensium Solutions LLC - US', and 'Kensium2'. A red arrow points to the 'All Accounts' dropdown. Below the header, the dashboard content is divided into two columns. The left column is titled 'Accounts Summary' and contains a table with the following data:

Account	GMV
Kensium Solutions LLC - US	\$0.00
Kensium2	\$41.95

The right column is titled 'ChannelAdvisor Blogs' and contains several blog entries, including '4 Trends Revealed in Our 2023 Consumer Survey', 'Free Shipping or Fast Shipping? Both!', 'Rethinking Product Packaging and Consumer Engagement', and 'Get Ready for the Third Annual Prime Big Deal Day'. At the bottom left of the dashboard, there is a small text note: 'Data on this page may be delayed.'

Select All Accounts

- Upon selecting the store, a URL will display in the Rithum Connector, you need to copy the **[URL number]** and paste it into the **[Profile ID]**.
