

Account ID

- To view **[Account ID]** you need to login into Channel Advisor Connector.
- Click on **[Developer Authorization]** under **[Account]** in Rithum Connector. You will be redirected to a new screen.

The screenshot shows the Channel Advisor Connector interface. The 'Account' menu is open, and 'Developer Authorizations' is highlighted with a red box. The main dashboard displays 'GMV Trend by Channel' and 'GMV Summary by Channel' for 'Kensium2'.

Click on Developer Authorization

- Your name will appear in the **[Developer name column]** after being extracted from your add mail ID.
- You can copy the **[Account ID]** that appears next to your name in **[Developer Authorizations]** and paste it in **[Account ID]** field in Acumatica.
