Price/Cost

- Enter the price in **[Default Price]** and click on **[Kensium Commerce].**
- You will be redirected to a new screen.

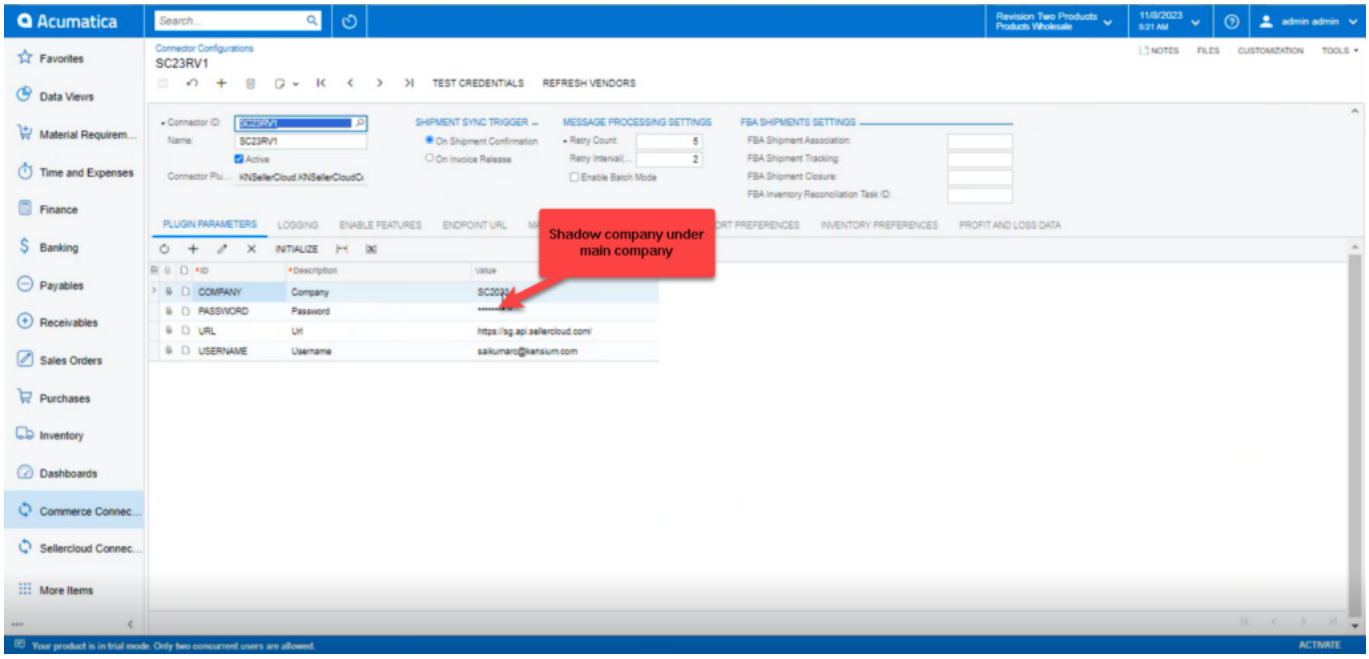

Kensium Commerce Screen

- You must enable the check box for **[Enable Kensium Commerce Framework]** and then enable the check box for **[Connector Type]** and select the **[product type]** from the drop-down menu:
    - MAIN SKU
    - **SHADOW SKU**
- You must enable the **[Active]** check box and click on **[Save].**

The shadow company will be Created under main company SC23R1; therefore, it will reflect under the Main company to which you have mapped its connector settings.

- If you want to view Main and shadow companies navigate to connector configurations screen.
